

IT Depot Repair & RMA Management

We are an IT spare part and equipment distribution company with a designed ESD & temperature controlled warehouse that has depot repair, refurbishment, RMA management and warehousing capabilities. Our services solve a big hassle for your company and will reduce your costs, increase customer satisfaction, and recoup losses. Beyond product receiving, we inspect, repair, refurbish, test, repackage, and ship your product. We are here to help. We have a 15,000 square feet warehouse in Miramar, FL with a agile logistics team that will help you receive, pack, label, store, and ship your product to your customers.

Your efficient logistic chain, from zero to one hundred:
